### **Public Works**

Seeking: Mechanic

Published: August 21, 2018

Closing: Open until filled

The Public Works Department seeks a skilled mechanic to be responsible for the maintenance of this department's vehicles and equipment.

The individual is required to be detail oriented with problem solving abilities to inspect, diagnose, maintain and repair various light and heavy-duty equipment. Candidate must also have the ability to service various systems such as: mechanical controls, current electronic controls, hydraulic and air brake systems, steering, suspension, drivetrain, transmissions, gasoline and diesel engines, hydraulic systems and pneumatic systems.

The individual must be in good physical condition and have the ability to stand, walk, crawl, kneel, bend, twist and stoop for long periods of time and lift up to 100 pounds. The candidate must be able to work outside in all weather extremes. Individual must be available for 24 hour call out and emergency duties.

Ten years of progressively responsible experience in fleet maintenance, required. Also required, is possession and maintenance of A.S.E. Technician Certification of the medium/heavy trucks category or the ability to obtain certification or equivalent within 1 year of employment. Person must be self-motivated and able to perform work unsupervised.

The position requires a high school diploma or equivalent. The individual must have good communication skills, able to maintain records and order supplies and perform semi-skilled and un-skilled field labor activities related to Public Works when assigned. The individual must maintain a well-groomed, professional appearance appropriate for the position.

Individual should have a good driving record and is required to have a CDL class "B" license with air brakes endorsement within 90 days. They must live within 15 miles of the City or willing to relocate within 6 months of hire to meet this requirement. A pre-employment physical exam with drug screening is required.

This position is a full-time union position at 40 hours a week, with medical insurance, paid sick, vacation and holiday time, pension benefits and more.

Qualified candidates can complete an application at the City of Hickory Hills, Public Works Department, 7700 W. 98<sup>th</sup> Street or contact (708) 598-7855 during normal business hours 7am-4pm. To receive consideration, your resume may also be submitted as an email attachment to: [HHPublicWorks@hickoryhillsil.org](mailto:HHPublicWorks@hickoryhillsil.org)
