This meeting's agenda will be the "Cool Tools" program again. This year we are reaching out to both VENDORS and MUNICIPALITIES to tell us about your cool tools. So if you're a vendor with a product we should know about or a municipality that's built or bought something that makes your work day easier, please share! We will feature 6-7 cool tools, limiting each demonstration to 5 minutes. If you are interested in showing your cool tool, please contact Candace Scholz, speaker coordinator, at candace.scholz@strand.com. We are also soliciting suggestions for speakers in 2019 so please bring some speaker ideas as well. Come enjoy the kick off to the holidays with a great lunch and opportunities to win some great door prizes!
