ESSAY QUESTION (600-800 words)

Water utilities are facing a public perception hurdle due to situations like lead issues in Flint, Michigan, negative advertisement of public water supplies from the bottled water industry, and negative social media. What can be done to raise awareness of the total water cycle and promote positive public perception?

PERSONAL TESTAMENT

I attest to the information contained on this application as being true, and I have not received any help writing this essay. I further understand that if any information is found to be false, it will result in my application being terminated.
